## ABOUT YOU

### ENGRAVING CHARGES

Each price in this brochure **INCLUDES** the engraving of your design once we have originated your logo artwork. If you require each piece to be personalised, for example your logo and then different competition names on each piece, the charge will be 50p +VAT per word, i.e. Club Champion would be £1.00 +VAT extra (up to a maximum of £3.50 + VAT).

We hold a considerable quantity of high quality golfing, military, sports, education and corporate logos and crests. Why not ask if we have yours?

If you have no requirement for a logo, we can engrave suitable wording to express your sentiments. Typefaces are important too - they are the 'tone' of your message so don't spend hours trying to think of just the right words, we do this every day. Tell us what you'd like to say, we will then suggest a couple of designs and email them to you.

### PLAIN SALISBURY DECANTER

Many presentations require the correct protocol. You can rely on us to ensure your message is appropriate to the presentation situation.

## TOUCH OF ELEGANCE

### TANTALUS FEATURING 2 CUT SALISBURY DECANTERS

Wood and the finest crystal have always been connected. Here are our two finest examples of the tradition. The Tantalus features a locking door to prevent some low-life depriving you of your favourite inspiration.

### PORT HOGGETT DECANTER

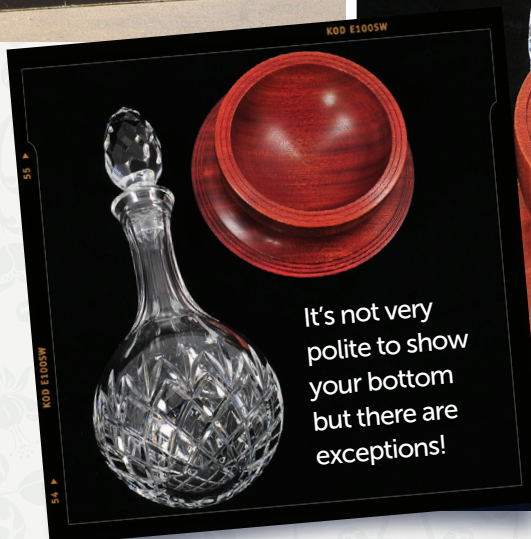

The Port Decanters' Hoggett Base means that anyone borrowing the bottle will have to hold it for a very long time, as due to its round bottom, it won't stand up. Which is a bit like you will be if you don't drink responsibly.

## WHAT WE DO....

### PETER & JOYCE

Peter and Joyce came from Morley Amateur Operatic Society having seen a Captain's Table plaque (bottom left page 20) at their local golf club. Being President this year, Joyce decided they could do better than the piece of card that the society had used for the previous 10 years. Although they couldn't provide anything we could work from, together we designed a new crest with which they were delighted.

### HAINAULT FOREST CENTENARY

David, the Captain and Secretary (as well as holding down a full-time job!) during the centenary year decided to play 100 holes on the 100th anniversary of the club opening. To commemorate this event he asked if we could provide one of our scorecards with the details engraved. Playing 100 holes in one day is an unusual achievement, requiring an unusual memento.

He played the 100 holes (in 460 shots) with the same ball - we provided a plaque to hold the ball, similar to the one shown on page 20.

### MAJOR ANNIVERSARY

If you or someone you know is celebrating an important wedding anniversary (aren't they all!), email us with your suggestion - we will endeavour to design a fitting tribute to the longevity of the marriage!

### LOYALTY & INTEGRITY

When someone deserves recognition for many years' service to your organisation, club or company, how do you ever sum up your appreciation?

Give us a call and we will guide you through the process of choosing what to say and how to say it.

This is one of our favourite inscriptions and pays respect to the recipient's professionalism, integrity, loyalty and friendship.

This is just a small example of what we do each and every day, however no two are ever the same. Whether you would like one piece individually engraved, or 250 all the same (or each one with different names), please contact us and our experienced and extremely loyal team will happily guide you through the whole process.
